

The ASCII Group Insurance Program

Now available to a broader range of ASCII members!

ASCII members have exclusive access to a Canadian group insurance program developed by HUB International with coverages tailored to the specific needs of your businesses.

The program provides specialized technology errors and omissions liability coverage with a base premium of \$672, commercial general liability coverage with a base premium of \$438, and property coverages if required. Various limits are available to align with your operations. See reverse for details.

Why is HUB the right broker?

Good insurance supports you, guides you, and empowers you. And so should a good broker. HUB International provides complete protection: property and casualty, life and health, employee benefits, investment and risk management products and services.

With HUB, you will also be dealing with a specialized service team that understands your business because they specialize in working with technology companies like yours. You will always be able to count on prompt, efficient service, and the support you need in the event of a loss.
